

Caldwell Business and Service Directory Offering

As a **gift** to the Caldwell community, we want to offer a directory that lists businesses and/or services owned and operated by Caldwell parents and businesses that have supported Caldwell Academy throughout the 2009/10 school year.

A listing is free of charge to all families that would like to participate. It is our way of saying thank you for your support throughout the year and encouraging you to patron those that are part of the Caldwell family and the businesses that have supported us.

This year we will also offer black & white **business card advertising for \$25**. If you prefer this in addition to the listing, please attach a business card and your check for the advertisement.

If you wish to have a listing in the directory, complete and return this form and an attached check if you chose to advertise, to the Advancement Office by **Friday, May 14, 2010**. **There will not be exceptions to this date** due to the timing of compilation and printing. The directory will be completed and available by mid July. There will be one per family; additional request will be \$5 per book.

List the name of your business and/or service, a **brief** description, address, phone number, email, and website under the applicable heading below and return to the Advancement office in Founders Hall:

Name and phone #: (in case of questions) _____
